36” CREEPER

Part No: TL06101
Six 2-1/2” swivel caster wheels for easy mobility
Heavy duty ¾” steel tube frame with 4 cross bars
Powder coat paint finish

40” CREEPER

Part No: TL06202
Six 2-1/2” swivel caster wheels for easy mobility
Heavy duty ¾” steel tube frame with 4 cross bars
Powder coat paint finish

40” CREEPER WITH ADJUSTABLE HEAD

Part No: TL06203
Six 2-1/2” swivel caster wheels for easy mobility
Heavy duty ¾” steel tube frame with 4 cross bars
Padded back with 3 position adjustable headrest
Powder coat paint finish

40” CREEPER WITH ADJUSTABLE HEAD & TOOL TRAY

Part No: TL06206
Six 2-1/2” swivel caster wheels for easy maneuverability
Heavy duty ¾” steel tube frame with 4 cross bars
Padded back with 3 position adjustable headrest
Twin storage trays for easy tool access
Powder coat paint finish
FOLDING CREEPER / SEAT
Part No: TL06301
Seven 2 ½” swivel caster wheels for easy mobility
Padded back and adjustable headrest
Steel framework with tough powder coat finish
Dual application - flat creeper or mechanics seat
Takes seconds to convert (no tools required)

KNOCK DOWN ROLLER SEAT
Part No: TL07201
Four 2½” swivel casters provide smooth mobility
Durable tool storage tray for easy access
Tubular steel frame for maximum strength

PNEUMATIC SEAT
Part No: TL07401
Foam padded seat for maximum comfort
Five swivel caster wheels for easy maneuverability
Storage tool tray under seat for quick and easy access
Adjustable from 15” to 19 ¼”
Seat swivels 360°

PLASTIC KNEELEER
Part No: TL07701
Multiple uses (automotive, gardening, building)
Product size: 3 ½”x 10”x 25 ¼”
Material breakdown by %: Plastic 96%, steel 2%, foam 2%
Load rated capacity: 240lbs.
High impact plastic
Handle for carrying
Foam for added cushion while kneeling
2” oil resistant rollers
750LB ENGINE STAND
Part No: TL04101
Capacity: 750LBS
Center height: 30-3/4”
Sturdy all Steel Construction

1000LB ENGINE STAND
Part No: TL04201
Capacity: 1000LBS
Center height: 30 ¾”
Fully adjustable mounting head secures to rear of engine
360° rotating head allow easy rotation of engine

1250LB U-FRAME ENGINE STAND
Part No: TL04301
Capacity: 1250LBS
Center height: 35 ½”
Fully adjustable mounting head secures to rear of engine
One bolt easily disassembles stand for transport or storage

1500 LB U-FRAME ENGINE STAND
Part No: TL04401
Capacity: 1500LBS
Center height: 32 1/3”
Fully adjustable mounting head secures to rear of engine
360° rotating head allow easy rotation of engine
1500LB FOLDING ENGINE STAND

Part No: TL04402
Capacity: 1500lb capacity
Centre Height: 31”
Foldable for easy storage
360° Rotating Head

2000LB FOLDING ENGINE STAND

Part No: TL04502
Capacity: 2000lb capacity
Centre Height: 32”
Fully adjustable mounting head secures to rear of engine
Foldable for easy storage

These parts washers are perfect for any size garage. Our Table-Top Parts Washer is lightweight and portable so it can be moved from job to job. Our Vertical model stands up-right in an ergonomically comfortable position to handle those large jobs. Depending on your requirements, either unit is big enough to handle a wide range of motorcycle and automotive parts.

Blast rust, corrosion, and paint in an enclosed cabinet to keep dust off the floor and out of the air. Choose from either the top-loading bench top or vertical sandblast cabinet model. Either unit can be filled with a variety of abrasive materials for cleaning, polishing and finishing. Durable rubber gloves allow access to the inside of the cabinet for operating the blast gun and moving parts while viewing thru large plexiglass viewing windows.

Great tool to have at the shop or home
PRODUCT WARRANTY INFORMATION

Warranty
For one year from the date of purchase Trade Logix will replace for the original purchaser, or repair the product, unless otherwise stated in the warranty information provided for a specific product. The warranty will not apply to any unit which was not assembled correctly, misused, overloaded or which has been used or operated contrary to the manufacturer instructions, or which has been repaired or altered by anyone other than an authorized representative. Proof of purchase (ie. original purchase receipt) must accompany all claims.

Warranty Exclusions
This warranty does not cover cosmetic defects such as paint, decals or wear items such as tires. This warranty will not cover failures or problems due to acts of God, or events or forces beyond the control of the manufacturer. Additionally, the warranty is not applicable if the product is used for commercial use or rental purposes.

Normal Wear Exclusion
This warranty does not cover repair when normal use has exhausted the life of a part or the equipment as a whole.

Installation, Use and Maintenance Exclusion
This warranty will not apply to parts and/or labor if the product has been misused, neglected, involved in an accident, abused, loaded beyond its limits, modified or assembled incorrectly. Normal maintenance is not covered under this warranty.

Limits of Implied Warranty and Consequential Damage Exclusion
Trade Logix disclaims any obligation to cover any loss of time, use of this product, freight, or any incidental or consequential claim by anyone from using the product. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR.

An exchange unit will be subject to the original warranty. The length of the warranty governing the exchanged unit will have the date as the purchase date of the original unit. This warranty gives you certain legal rights which may change from province to province. Your province may also have other rights you may be entitled to that are not listed within this warranty.

Warranty service is available by contacting Trade Logix directly. This warranty applies only while this product is in use in Canada.

Return Information
All defective products must be returned to either Trade-Logix directly, an authorized service dealer, or distributor. If you require specific delivery instructions, please email Trade-Logix at customerservice@trade-logix.com to obtain a RMA number. Please include your company name, address, product model number, reason for return, and a contact phone number.
